Members were then informed that no tax base figures had yet been received by the billing authority. These would normally be sent through in December. After consideration members agreed that the precept is provisionally set at this meeting until further information is received.

RESOLVED that the precept request is to be reviewed and ratified at the next Full Council meeting in January

Members then considered the old format in which the precept was set out and the new format which included two new headings. It was proposed and agreed by all members that the new format is a better layout than the previous one.

RESOLVED that the new format will be used when setting the precept
